

Palliative Empathic Agile Communication Every time (PEACE)

Palliative Care Communication Skills Training Program for experienced Allied Health and Nursing Clinicians working in QLD Health Specialist Palliative Care

The PEACE Communication Skills Training Program runs on the VitalTalk Model which is Gold Standard and evidence based. The PEACE Training Program focuses on foundational Palliative Care communication skills.

Two workshops available, facilitated by Dr Jo Doran:

Workshop 1: In person at Gold Coast University Hospital on Thursday, 27th Feb 2025
8:00am – 3:00pm. Registration fee & lunch is covered. Travel will be at employee's expense.

Workshop 2: Online via Microsoft Teams on Wednesday, 5th Mar 2025, 8:00am – 3:00pm

Expressions of Interest are open from 1st December 2024 – 31st December 2024.

Please submit your EOI noting which workshop you are interested in to:

GCHPallCareEvents@health.qld.gov.au

Limited spaces available. If your preferred workshop is full, you will still be able to register an expression of interest and your details will be added to a waitlist for potential future opportunities.

NB. Approval must be sought from Line Manager.

The PEACE Program is supported by the Palliative Care Workforce Capability Uplift Program
